BUILDING UPDATES

- You may have heard loud music coming from the building a number of weeks ago. We are sorry for any inconvenience this caused. There was a technical fault during the testing of the PA system.
- The wild garden outside the school has now been cut down. A decision is currently being made whether this area will be turfed.
- The wild garden that was growing in the playground beside the pavement has also been cut down and turfed to allow more play area for our children.
