LITTERING

Over the past number of months, we have been experiencing some issues with youths littering our school grounds as well as smoking and drinking within the grounds. We have been working closely with the Police and all areas of the school are fully covered by CCTV. If you notice any suspicious behaviour around the school, please contact Police Scotland on 101. Thank you.

Community Survey:

We are carrying out a quick survey with community members to feed into our School Improvement Plan to help us take the school forward. Please complete the short form below and return it to the School Office. Thank you in advance. Ceud taing dhuibh uile.

How can we further improve our connections with our local community?
